If there's a dad in your life you want to celebrate this Sunday, the Co-op is the place to be - after all, our local dads love local food!

If you're looking for the more traditional gift route, we've got you covered there, too. We have snacks, kitchenware, cards, candy, grill gadgets, spices, eco-friendly housewares, and quality soap and shaving supplies for men.

We also polled our staff to get some of their favorite gift ideas and treats for Father's Day, so here's our handy guide to get you started:

Each one is uniquely stamped and designed to look great in your bathroom or as part of a gift basket. Find these handmade soaps in our Wellness Department!

Saturday June 15 @ 1-3pm - \$3 Sugg. Donation

Join us for an ice cream treat in the Co-op Cafe to celebrate the start of Summer! Our staff will be scooping vanilla ice cream into cups and serving it with fresh strawberries and whipped cream. There will be a \$3 suggested cash donation per cup, and all the net proceeds will benefit The Littleton Food Co-op Community Fund.

That's a BIG Stack of Mail!

Check out our Admin Assistant Madison with all of her fan mail! Ha, just kidding! Not that we don't love Madison, but these are actually all of the "return to sender" letters we got from our annual election notices. Yikes!

Each of these represent a Member who has not updated their mailing address. According to our bylaws, we **have** to mail election notices to eligible members, so we do our best to keep that list updated. Not only does incorrect information create a lot of extra work for our staff, but it's money that could have gone towards more fun items on the shelf, patronage rebates, or even a fun community event.

All that we're trying to say here is PLEASE make sure your member information is up-to-date. Ask your cashier at checkout or email us at info@littletoncoop.org. You may get notified by your cashier in the coming weeks that we need your correct address if one of these letters belongs to you. Madison (and the rest of the Co-op crew) thanks you!

YOUR CO-OP COMMUNITY

A Big Check for Community Health!

Last week our May Partner, ACHS, stopped by to take a pic with the Big Check, for a total of \$5330.00.... all raised by small change donations at the register! With these funds, ACHS will be able to continually offer comprehensive and affordable health services to over 10,000 patients at five locations throughout the North Country.

Congratulations, Becky!

We are thrilled to announce that Becky Colpitts, our Membership and Community Outreach Coordinator, was honored with the Cooperative Service Award from the Consumer Cooperative Management Association (CCMA). We've always known she's amazing, but we're so happy and proud to see that recognized by cooperatives all over the nation!

Round Up for Reading

Round Up this June to support Above the Notch Literacy Project!

This incredible project puts books in the hands of children from Pre-K through Grade 2 in rural schools and Headstart Programs in the North Country. Rounding up your change at the register this month will enable Above the Notch to continue providing early readers the resources they need to interact with quality literature.

Remember -- 100% of your donation goes directly to the organization. Through the power of cooperation, your pennies add up to thousands of dollars for our local non-profit partners!
