# MORE FROM YOUR STORE

## Help a Local Family This Holiday

### Saturday November 2- Saturday November 16

One week left to donate! Since 2021, the Littleton Co-op has provided a simple and easy way for members and customers to give back to their community during the Thanksgiving season.

Each \$10 coupon you purchase at checkout will donate a holiday box filled with potatoes, stuffing, veggies, gravy, and more to a local family in need.

We are setting an ambitious goal of 600 boxes donated between the eight food access organizations, all in time for the holiday. Please consider picking up a donation coupon at checkout through November 16 to help us ensure every family in our community can have a full plate this Thanksgiving.

Thank you for being part of our cooperative community!

## Have a Field Day & Help NATIFS

Now through December 3, for every Field Day item you purchase National Cooperative Grocers is donating \$0.05 to NATIFS, an Indigenous-led organization working to strengthen Native foodways nationally. Field Day includes many pantry basics at an affordable price, from canned goods to cereals to household cleaners. Look for them on our shelves!

# MEMBER UPDATES

## Patronage is Here

Fall is an exciting time at the Co-op: foliage, patronage, maple lattes, pumpkin carving. Wait, what did we throw in there? Yes, you read that correctly -- it's Patronage Refund Season!

So what IS patronage? The short version: when the Co-op makes money, we give a portion of it back to our member-owners for shopping here. The more you shopped, the more you earned. If you're a member and you shopped in 2023, you may have store credit available the next time you check out! If you're the primary Member on your account, just ask your cashier for more info.

Want to learn more? Visit [littletoncoop.com/patronage](http://littletoncoop.com/patronage).
