YOUR CO-OP COMMUNITY

Round Up for the Library!

The Friends of the Littleton Public Library (FOLPL) is a volunteer group that encourages membership and stimulates greater interest in and use of the library. Some of the literary and educational programs they help fund include book sales, summer reading programs, computer stations, a teen space, and even a telescope for public use!

Membership in FOLPL is open to everyone. Ideally, they hope to include every patron of the library as a Friend so that everyone can contribute ideas or simply benefit more fully from the library's resources.

Round up at the register this December - all funds will support the Friends of the Library so they can continue their work in the community.

Leadership in Cooperation

Congrats to Ed King, Business Leader of the Year!

Hot off the presses! Our intrepid leader, Ed King, was honored this week by the Littleton Chamber of Commerce with the 2024 Raymond S. Burton Business Leader of the Year award.

Ed has been the General Manager here at the Co-op for over 15 years, helping us blossom into a successful Co-op with over 10,000 member-owners. We have forged partnerships with hundreds of local vendors and organizations, and we strive to provide a safe and supportive work culture for over 100 employees. That's only a tiny tiny part of what Ed has accomplished!

Suffice to say we're both proud and grateful to have an excellent and knowledgeable leader like Ed, and we're thrilled to see him honored by the community he loves.
