Treats Under the Tree

We love this time of year because all the special seasonal goodies arrive for the winter holidays! Whatever you celebrate, come take a peek at all the treats we have on our shelves. Remember how we said we're a great place for gift shopping? We've definitely got some prime stocking stuffer options right here!

MORE FROM YOUR STORE

Cozy Winter Puzzles

The picture-perfect photos from White Mountain Images have been delighting customers for years on postcards, calendars, and more. They're about as local as you can get, since the photographer, Chris Whiton, works right here at the co-op!

Just in time for last-minute gift-givers and cozy winter nights, we have a limited selection of new White Mountain Images puzzles! These "made in the USA" puzzles feature high-quality prints of WMI's signature crisp and colorful nature scenes.

Local 'Nog is In

Locals wait all year for this seasonal delicacy -- Hatchland eggnog! Now is the time to imbibe as we won't see this for another 11 months or so. This creamy, incredibly flavorful beverage is available in quarts, half gallons, and collectible glass quarts. We're hearing great things about the 2025 batch!

Chestnuts for Roasting

Chestnuts are plentiful in the Produce Department right now, and for good reason! If you've only ever sung about these hearty nuts, it's about time you try eating them, too. If you can't get them over an open fire, the oven is fine. If popping them in your mouth whole seems too intimidating, they're great in stuffings, soups, salads, and even desserts.

Stol(l)en Our Hearts

This is not your granny's fruitcake: Polish Princess Bakery's holiday baked treats are on a whole other level of deliciousness and tend to fly off the shelves. If you've never had stollen, it's a traditional German Christmas bread made with fruit, nuts, and marzipan. These are the real deal, and we are thrilled to have them here again!

YOUR CO-OP COMMUNITY

Our December Partners:

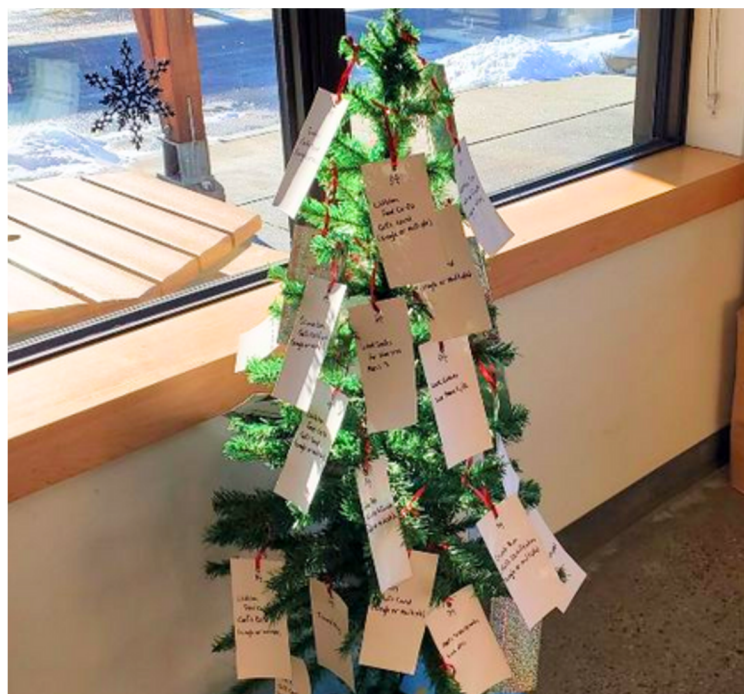

Round up or donate at the register this November to support local sports and empower athletes with disabilities! Adaptive Sports Partners is based in the North Country of NH and the Northeast Kingdom of VT, bringing the joy of adaptive sports to dynamic ski slopes, serene lakeshores, thrilling mountain trails, and more.

They believe that everyone should be able to experience and excel at sports, recreation, and adventure, and they work to support athletes of all disabilities and needs.

When you make a small-change donation to our Partner of the Month Program, it makes a huge impact - so round up today!
