2024 Holiday Gift Guide

Presented by the Littleton Co-op

littletoncoop.com/2024GiftGuide

The official 2024 Littleton Co-op Gift Guide is here! We carry a number of "giftable" items in store perfect for whoever you're shopping for. The best part? These are things they'll actually use and appreciate, and you won't have to hike over hill and dale or wait in a hundred lines to get something for everyone. You can get everything right here at the Co-op!

For this year's Gift Guide we took a look at some different personality types (hello, homebodies!) and thought about what they actually want and need. The result is a curated list that can all be bought in one locally-owned place.

Read the 2024 gift guide today on our website at www.littletoncoop.com/2024GiftGuide

Need Some Holiday Help?

Wrapping up the last few holiday details and feeling stuck? The Co-op has your gifting, entertaining, and cooking needs covered!

We put together a Holiday HQ with lots of specialty guides about sustainable gifting, homemade gifting, and entertaining tips that are sure to get you inspired.

We also compiled some of our favorite festive recipes and kitchen tips to help with those culinary hurdles. And don't forget - we have kitchen tools here at the Co-op, just behind our wellness department.

If you haven't checked out the HolidayHQ yet, it might have the recipe, gift idea, or hosting tip you've been looking for!

And if that's too overwhelming for ya, we totally understand. Just get 'em a Co-op gift card and let them pick out what they want. www.littletoncoop.com/HolidayHQ

MORE FROM YOUR STORE

We like to think of ourselves as the best Meat Department in the North Country, and our experts behind the counter are ready to help you with your holiday roast.

We have a wide selection of ham, lamb, poultry, and more to center your table around. Give your family the gift of a high quality meal with the help of the Co-op!

Hanukkah Candles & More

Hanukkah starts the evening of December 25th this year, so it's time to prepare! We have candles, latke mixes, challah (local from Klinger's Bakery), brisket, egg noodles, and more for celebrating the Festival of Lights. You know where to get what you need, now the only question remaining is: applesauce or sour cream?

Get Them A Gift Card!

A Co-op gift card is a guaranteed way to give everyone on your list something they'll love. Foodies love us for our quality local and organic items, but we're also a one stop shop for all kinds of giftees: we have kitchenwares, candles, spices, soaps, jewelry, local art, wine, and beer. Gift cards can be purchased at the co-op at any register.

Christmas Treats for Stockings

Our Bulk Department is fully stocked with holiday candies, nuts, trail mix, dried fruit and more - perfect for sliding into the toe of your loved ones' stockings, or in your favorite candy dish to share. We have grab & go pre-bagged delights, and lots of treats in bins so you can get as much or as little as you like.

YOUR CO-OP COMMUNITY

As you may remember, the November Co-op Partner of the Month was nine local organizations working towards food access for everyone in our community. Well, we counted up all of your generous donations, we're proud to announce that our co-op community raised a total of \$5,698.89!

That total was divided equally between Littleton Food Pantry, Whitefield Food Pantry, Bethlehem Food Pantry, Littleton Free Pantry, Bethlehem Free Pantry, Littleton Area Mutual Aid, All Saints Food Cupboard, Artisans with a Mission, and Good Neighbor Food Pantry. And that doesn't even include your generous donations towards the Feed a Family Fundraiser for Thanksgiving!

It's a busy season for these important food access groups, but we were able to snap pictures with a few of them holding the "big check." As always, thanks to our members and customers for coming together to make this donation possible. Your small change donation makes a huge difference!

Round Up for the Library Friends!

The Friends of the Littleton Public Library helps with book sales, summer reading programs, computer stations, a teen space, and even a telescope for public use! Membership is open to everyone who wants to share ideas or benefit more fully from the library's resources. Round up at the register this December to support their work in the community!
